5 Bedroom, 3.00 Bathroom, 1,415 sqft  
Residential on 0.13 Acres

Huntington Hills, Calgary, Alberta

PRICE IMPROVED TO SELL! THIS WON'T LAST LONG!!! There is exceptional value in this home's upgrades. Extensively improved and thoughtfully reconfigured, this larger-than-average Huntington Hills bungalow offers exceptional space, stylish upgrades, and a bright, open-concept layout tailored to modern living. The renovated kitchen features raised-panel cabinetry, granite countertops, a large island, extra drawers and storage, and a custom pantry with a barn door, highlighted by herringbone tile flooring. The open design flows seamlessly from the kitchen to the dining area and office nook, finished with newer laminate flooring, and into the inviting living room with a sunny bay window.

Two spacious bedrooms are located on the main level, including a generous primary suite with a walk-in closet and 2-piece ensuite. A full bath rounds out the main floor, balancing functionality and comfort.

The partially finished basement adds three more bedrooms, two with newer egress windows (installed in 2018 and 2021) and newer carpet in the bedrooms, a renovated half bath, a large rec room, a laundry area, and a substantial storage room with built-in shelving. The newer egress window wells are professionally tied into the sump system, and a radon mitigation system has been installed for added peace of mind. Finish off the basement ceiling and walls in the main rec room area,

and it's ready for your enjoyment.

Additional updates include newer main floor windows (2011), shingles (2020), and an engineered beam and post for the open concept design.

Outdoors, enjoy a large, beautifully landscaped yard with a low-maintenance composite deck, pergola, BBQ gas line, and a Roman circle stone patio, perfect for evening fires or summer entertaining. The oversized, heated, and insulated double garage features a newer garage door with a jackshaft opener for extra clearance, and a large back gate provides potential for RV parking.

Situated close to schools, shopping, transit, Nose Hill Park, and community amenities, this move-in-ready home offers comfort, space, and value in one of NW Calgary's most established neighbourhoods.
