Introducing The Jones, the debut townhome project by A Home Making Company, a distinguished husband-and-wife builder duo renowned for thoughtfully crafted, design-driven homes in Calgary's sought-after inner-city neighborhoods. This exquisite home blends craftsmanship with modern Calgary living, exemplifying commitment to quality, comfort, and timeless designâ€"all in an exceptional location.

Quartz countertops, a striking bookmatched backsplash, a pot filler, and a built-in garbage and recycling drawer elevate the space for seamless entertaining and everyday living.

The main floor impresses with exposed beams, a cozy gas fireplace with a concrete surround mantle, and built-in shelving, creating an inviting atmosphere. Upstairs, the primary suite features vaulted 13-foot ceilings with exposed beams, a spacious walk-in closet with custom organizers and a full-length mirror, and a luxurious

ensuite with heated floors, a double vanity, quartz countertops, and a walk-in shower with a floating bench. Attention to detail continues with solid-core wood barn-style sliding doors, high ceilings throughout, and a skylight that floods the landing with natural light.

The lower level offers a versatile media room complete with a full wet bar, built-in TV wall unit, under cabinet lighting, custom shelving, and a beverage fridgeâ€"perfect for relaxing or entertaining. A second bedroom and full bathroom add comfort and privacy, highlighted by sunshine windows and quality finishes.

Additional features include 7.5-inch oak engineered hardwood flooring, custom soft-close cabinetry, eight-foot doors, and tilt-and-turn European-style windows with phantom screens.
