Residential on 29.44 Acres

NONE, Rural Red Deer County, Alberta

Whatâ€™s better than one house on a property? Two houses AND two double garages! And all located on 29.44 acres in a prime location! Enjoy easy access to Highway 2, Innisfail, and Penhold, or an easy, short drive to the south end of Red Deer making commutes for work easy! House #1 is a 3-level split offering just over 1,600 sq. ft. above grade with a very unique layout. The grade-level entry opens to a bright living room and a convenient 2-piece powder room-perfect for washing up after working outdoors. A few steps up youâ€™ll find the kitchen, dining, and sitting area with newer vinyl plank flooring and lots of cabinet space. Another short staircase leads to three generous bedrooms, including the primary, and a 4-piece bath. The undeveloped basement provides plenty of storage or the opportunity to create your own design that meets your needs. A double attached garage completes this package. House #2 is a recently renovated 3 bedroom bungalow (with the possibility of a 4th) featuring so many upgrades! New vinyl windows, vinyl plank flooring, both 4-piece bathrooms updated, fresh paint, new basement flooring, PEX plumbing, a new electrical panel, siding, shingles and more! The oversized double detached garage is heated and has its own electrical panel. The property also includes a barn with three tie stalls and three (possibly four) regular stalls, a

well at the barn, and a second well at the house. The two homes share the septic tank and field. New post-and-rail fencing lines the access side of the property, and each homesâ€™ private lane way has views of the rolling fields that are simply beautiful. This rare setup offers endless possibilities; rental income, hobby farming- all in an unbeatable location!
