McKenzie Towne, Calgary, Alberta

Let us introduce you to 238 Elgin Manor, she's on a quiet, tree-lined street where the leaves change with the seasons, kids race bikes down the block, and neighbors still wave hello. Now, add a home that's equal parts cozy retreat and smart investment and you will be welcomed into Elgin Manor.

Inside, you'll find all the things you want but don't always get: a proper dining room for Sunday dinners, a kitchen with a big island (and shiny new fridge + dishwasher), plus a breakfast nook that's perfect for lazy coffee mornings. The living room is anchored by a gas fireplace that practically yells "movie night," while upstairs the primary suite spoils you with a 5-piece ensuite and walk-in closet. Two more bedrooms and another full bath keep everyone happy. The finished basement brings the fun "theatre room, gym/flex area, and a fourth bedroom with its own bath (because yes, guests will want to stay over).

Outside, the backyard is BBQ-ready with a natural gas line, and the detached double garage hides some party tricks: a Tesla universal charger and additional solar panels offsetting 93% of your yearly electric consumption. That's right, you can brag that your house makes its own energy.

And when you step beyond your front door, McKenzie Towne delivers: splash park, toboggan runs, the "Ruins," Inverness Pond, the Clock Tower, playgrounds, hockey rink " basically, a kid's paradise and an

adult’s community dream.  
This isn’t just a house. It’s the kind of
